AMENDED UPTO AUG 2007

CPWD-6

NOTICE INVITING TENDER

1. Item rate tenders are invited on behalf of the Chairman, Brahmaputra Board from approved and eligible contractors of CPWD, Deptt. of Telecommunications, MES, Railways, State PWD/ PHE/ Irrigation/ Water Resources, etc., for the work of

“Annual Rate Contract for Assembling & laying of RCC porcupine consisting of 6 (six) nos. members at work site either as screen, spur or dampener as directed including assembling with 12mm dia bolt with additional check nut with washer on both faces as per drawing including tying of porcupine in group not less than 8nos. with 8mm dia steel wire rope (IWRC) IS:2266/89 wherever required with necessary U-bolt and clamped as directed.”

The enlistment of the contractors should be valid on the last date of sale of tenders.

In case only the last date of sale of tender is extended, the enlistment of contractor should be valid on the original date of sale of tenders.

In case, both the last date of receipt of application and sale of tenders are extended, the enlistment of contractor should be valid on either of the two dates i.e. original date of sale of tender or on the extended date of sale of tenders.

- 1.1 This group of work is estimated to cost **Rs127.93 lakh**. This estimate, however, is given merely as a rough guide.

- 1.1.1 The authority competent to approve NIT for the combined cost and belonging to the major discipline will consolidate NIT for calling the tenders. For composite tender, besides indicating the combined estimated cost put to tender, should clearly indicate the estimated cost of each component separately. The eligibility of tenderer will correspond to the combined estimated cost of different components put to tender.

- 1.2 This tender is called under **two envelope system**. Envelope-1 will contain documents related to eligibility criteria & Envelope-2 will contain Financial Bid. Envelope-1 of all tenders shall be opened first. Eligibility related documents shall be evaluated and financial bid of qualified tenderers shall then be opened at notified time, date and place in presence of tenderers or their representatives. The criteria for fixing of agencies and operation of the contract is annexed at **Annex-E₁**. The eligibility criteria are as per **Annex-E₂**.

2. Agreement shall be drawn with the successful tenderer on prescribed Form No. CPWD 7/8 that is available as a Govt. of India Publication. Tenderer shall quote his rates as per various terms and conditions of the said Form which will form part of the Agreement. Clause No. 3b, 6A, 6B, 10CC, 10D, 10F, 17, 19j, 30, 31-I, 34, 35, 36, 42-II, 42-III, 42-VI of CPWD Form-8 stand deleted.

3. The time allowed for carrying out the work will be **365 days** from the **10th day** after the date of issue of 'letter of acceptance of tender' or from the first date of handing over of the site, whichever is later, in accordance with the phasing, if any, indicated in the tender documents. The rate will be valid for a period of 365 days only.

4. ***The site for the work shall be made available within 10(ten) days after the date of issue of the letter of acceptance of tender.***

Receipt of applications for issue of forms will be stopped by **1600 Hrs. on 10.02.12** and issue of tender forms will be stopped three days before the date fixed for opening of tenders.

Tender documents consisting of plans, specifications, the schedule of quantities of the various classes of work to be done and the set of terms & conditions of contract to be complied with by the contractor whose tender may be accepted and other necessary documents can be seen in the office of the Superintending Engineer, **Tinsukia Circle, Brahmaputra Board**, between hours of **11.00 A.M. & 04.00 P.M. from 31.01.12 to 10.02.12** every day except on Saturdays, Sundays and Public Holidays. Tender documents, excluding standard form, will be issued from his office, during the hours specified above, on payment of the following:-

i) **Rs. 1500.00** in the shape of Demand draft as cost of tender paper in favour of Financial Adviser, Brahmaptura Board, Basistha, Guwahati-29.

ii) Earnest Money of **Rs. 85300.00** in the shape of Deposit at Call receipt of a scheduled Bank/fixed deposit receipt of scheduled bank may be drawn favour of Executive Engineer, **Majuli Division, Brahmaputra Board**. In case of Banker cheque/Demand draft, the same may be drawn in favour of Financial Adviser, Brahmaputra Board, Basistha, Guwahati-29.

6. Tenders, which should always be placed in sealed envelope, with the name of work and due date written on the envelopes, will be received by the **Superintending Engineer, Tinsukia Circle, Brahmaputra Board**, Tinsukia up to **03.00 P.M. on 14.02.12** and will be opened by him or his authorized representative in his office on the same day at **03.30 P.M.**

7. The contractor shall be required to deposit an amount equal to 5% of the tendered value of the work as **performance guarantee** in the form of an irrevocable bank guarantee bond of any scheduled bank or State Bank of India in accordance with the form prescribed or in the form of Govt. Security, fixed deposit receipt etc., as in the case of recovery of security deposit within prescribed number of days of the issue of letter of acceptance. This period can be further extended by the Engineer-in-Charge up to a maximum period of prescribed number of days on written request of the contractor.

8. The description of the work and location of the work are given at **ANNEX-I** below:

ANNEX – I

Gr. No	Location	Approx. quantity of porcupine in Nos. (Quantity may vary depending upon actual requirement & site condition)
1	Tekeliphuta, Aphalamukh, Dakhinpat, Salmara, Bessamara, Sumaimari, Begena-ati, Upper Sonowal, Kankan Chapori, Kamalabari, Bhakatchapori, Padumani, Pakimuri, Karatipar etc.	24504 Nos.

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer.

Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plants, etc. will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.

9. The competent authority on behalf of the Chairman, Brahmaputra Board does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.

The competent authority also reserves its right to allow to the Central Government public sector enterprises, joint venture with CPSE holding 51% equity or more, a purchase preference with reference to the lowest valid price bid where the quoted price is within 10% of such lowest price in a tender other things being equal in case of tenders/ quotations whose **date of receipt is up to 31st December, 2011**, subject to the estimated cost being of Rs. five crores and above. The Public Enterprises who avail benefits of the purchase preference should be subjected to adequate penalties for cost overruns etc.

10. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
11. The competent authority on behalf of the Chairman, Brahmaputra Board reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
12. The contractor shall not be permitted to tender for works in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer (both inclusive). He shall also intimate the

- names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any Gazetted officer in the Brahmaputra Board or in the Ministry of Water Resources. Any breach of this condition by the contractor would render him liable to be rejected.
13. No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of two years after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
 14. The tender for the works shall remain open for acceptance for a period of 90 **days** from the date of opening of tenders. If any tenderer withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the Department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.
 15. This Notice Inviting Tender shall form a part of the contract document. The successful tenderer/ contractor, on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work, sign the contract consisting of :-
 - a) The Notice Inviting Tender, all the documents including additional conditions, specifications and drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.
 - b) Standard CPWD Form 8.
 16. All rates should be quoted in figures as well as in words. In case of discrepancy in the rate quoted by the contractor in words & figures, the rate quoted in words will be considered as the correct rate.

Executive Engineer
Majuli Division

ANNEXURE-E₁

CRITERIA OF FIXING OF AGENCIES AND OPERATION OF THE CONTRACT

Fixing of agencies

The rate quoted by the lowest tenderer, if beyond acceptable limit, shall be brought down to an acceptable level through negotiations. The 2nd and (or) 3rd lowest tenderers shall be given a counter offer to reduce their rate to the rate quoted (or negotiation rate) by the first tenderer. In case the 2nd and (or) 3rd lowest tenderer refuse to accept the lowest rate accepted, the 4th and (or) the 5th lowest tenderer will be offered the rate and so on till 3 (three) agencies are selected. The selection of three agencies as stated above shall be valid for a complete year.

Operation of the contract

As and when requisition of a set of works is received, the same will be ordered to one of the short listed agency by Engineer starting from original L-1 by a work order with a reasonable time of completion. The subsequent work shall be assigned to different agencies on rotation basis in order of notionally L-2 and L-3. The contractor shall raise the bills for work done and payment shall be made accordingly.

Non performance by an agency

If any agency does not start the work or does not perform the assigned work properly and /or in time, it shall be dropped from the list of approved/short listed agencies and its deposits including performance guarantee etc. shall be forfeited. Such agency shall be debarred for tendering for a period of three years.

ANNEX-E₂

INITIAL CRITERIA FOR ELIGIBILITY

1. The bidder should have satisfactorily completed during the last seven years ending last day of the month of **March 2011** – **(For this purpose cost of work shall mean gross value of the completed work including cost of material supplied by the Govt./ Client but excluding those supplied free of cost. This should be certified by an officer not below the rank of Executive Engineer/ Project Manager or equivalent.**

Three similar works each costing not less than **Rs 17.06** lakh (40%),, or completed two similar works each costing not less than **Rs21.32** lakh (50%), or completed one similar work costing not less than **Rs 34.11** Lakh (80%) (*Similar work means Assembling and laying of RCC porcupine. In case of works for combined item of casting and laying of RCC porcupine, the cost of work will be considered by multiplying with a factor of (1.7/6.7).*)

The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum; calculated from the date of completion to last date of receipt of applications for tenders.

2. At the time of purchase of tender, the tenderer shall have to furnish an affidavit as under, -
“I/ We undertake and confirm that eligible similar work(s) has/ have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of the Department, then I/ We shall be debarred for tendering in contracts of Brahmaputra Board in future for ever. Also, if such a violation comes to the notice of Department before date of start of work, the Engineer-in-Charge shall be free to forfeit the
3. The bidder should have had average annual financial turnover (gross) not less than 30% of estimated cost put to tender (**Rs 127.93 lakh**) during the immediate last 3 (three) consecutive financial years. The average annual financial turnover (gross) should be duly audited by a Chartered Accountant. Year in which no turnover is shown also be considered for working out the average.
4. The bidder should not have incurred any loss in more than two years during the immediate last five consecutive financial years, duly certified by the Chartered Accountant.
5. The bidder should have a solvency of the amount equal to 40% of 1/3rd the estimated cost of the work put to tender (**Rs 17.06 lakh**).
6. The bidder should submit up-to-date registration in CPWD/ Railways/ P&T/ MES/ State PWD/ Irrigation/ Water Resources/ PHE Department; and Income Tax Clearance Certificate/ PAN, Permission for Composition Amount of VAT in WC-2 form/ VAT Registration Certificate, EPF Registration Certificate.
7. The bidder’s performance of any work completed in the last 5 years or hand (a minimum value of 10% of the estimated value put to tender) should be certified by an officer not below the rank of Executive Engineer of equivalent and to be submitted with tender (Form-E)
8. The bidder should have equipments as per requirement mentioned below (**Form- H**) required for the proper and timely execution of the work. Else, he should certify that he would be able to manage the equipment by hiring etc., and submit the list of firms from whom he proposes to hire. The bidder should have the following equipments –
 - a) Engine Boat (3-5 ton capacity) =3 Nos.
 - b) Tractor = 2 nos.

9. The bidder should have sufficient number of Technical and Administrative employees for the proper execution of the contract. The bidder should submit a list of these employees stating clearly how they would be involved in this work (**Form- G**). The bidder should have the following personnel –
- a) Junior Engineer / Supervisor (Qualification-Diploma in Civil with experience) = 1 No.

The initial criteria for eligibility prescribed in Para 1 to 9 will be first be scrutinized to find out of eligible bidders, and only the rates of eligible bidders will be considered for preparation of C.S.(Comparative Statement)

The Tenderer shall have to furnish an affidavit as under at the time of purchasing of tender or with the tender paper:-

“I /We undertake and confirm that the eligible similar work(s) has /have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, than I/We shall be debarred for tendering in CPWD/Brahmaputra Board contracts future forever. Also, if such a violation comes to the notice of Department before date of start of work, the engineer in charge shall be free to forfeit the entire amount of Earnest Money/Performance Guarantee.”

SECTION-III
SCHEDULE – D

D-1 SPECIFICATIONS OF WORKS AND MODE OF PAYMENTS

1) DRAWINGS

An Index Map showing the location of area for laying of RCC porcupine is attached. Executive Engineer concerned will give the exact location at site.

2) MARKING OF ALIGNMENT

Wooden/ bamboo poles about 6 to 8m length shall be supplied and fixed by the contractor along the alignment as directed by the Engineer-in-Charge for demarcation at site for laying of porcupine etc. and for this no extra payment will be made. This should be maintained and replaced as and when necessary by the contractor at his own cost.

3) SPECIFICATION OF ITEMS.

The works are to be carried out as per specifications and directions of Engineer-in-Charge as per actual site conditions strictly within the specified time frame. The specification of the work is as given below:-

(i) Assembling and laying of RCC Porcupine consisting of 6(six) nos. member at work site either as screen, spur, and dampeners as directed including assembling with 12mm dia. bolt with additional check nut with washer on both faces as per drawing including tying of porcupine in group not less than 8 nos. with 8mm dia. steel wire rope (IWRC) IS 2266/89 wherever required with necessary 'U' bolt and clamp as directed(cost of steel wire rope , M.S. nut, U-bolt etc. shall be paid separately).

(a) In water course by boat.

(b) Over land with carriage by tractor.

© In water course with carriage both tractor & boat

Mode of payment- Payment will be made after laying of the porcupines in proper place as directed by the EIC or his authorized representative in number of porcupine actually laid.

(ii) Supply of steel wire rope 8 mm dia. (IWRC)IS-2266/89 @4.0M per porcupine.

Mode of payment-Measurement of steel wire rope will be taken in running meters and payment will be made as per running metre.

iii) Supply of M.S nut & bolt of size 12 mm dia. and 250 mm long @ 8 nos. per porcupine along with necessary washer, etc.

Mode of payment-Measurement of nut and bolts will be taken in weight (i.e. in Kgs) and payment will be made as per weight.

(iv) Supply of 8 mm dia. U bolt and clamp @ 2 set/8 nos. porcupine.

Mode of payment-Measurement of U bolt will be taken in weight (i.e. in Kgs) and payment will be made as per weight.

4) METHODOLOGY.

Three porcupine members are to be assembled at top by nut & bolt to form a prismatic structure below the bolt. Then each members are to be joined by nut & bolt through pre fabricated holes. The porcupines which are supposed to be laid over land are to be assembled at the place where it is to be laid. The consecutive porcupines are to be tied by G.I. wire rope with the help of U-bolt. The porcupines which are to be laid in deep water are to be assembled on the platform of the boat and dump in proper place in the water. They are to be tied with G.I. wire with the help of U-bolt at least 8(eight) members, thereby making a cluster of 8 (eight) porcupine.

D-2 ADDITIONAL CONDITIONS :

- 1) All items in Schedule of quantity are consolidated items of works inclusive of all consumable material cost, labours, tools & equipments etc. All rate quoted by the contractor will be inclusive of labour, all consumable material cost, tools & equipments, including all taxes etc.
- 2) If situation demands, the printed challans in a book form with numbering will be arranged by the contractor for transport of materials necessary for the work from the stacking yard to actual place of utilization as per direction of the Engineer-In-Charge.
- 3) There is likelihood that some other works may also be under execution simultaneously by other agencies in the adjoining area. The contractor shall execute the works without causing any hindrance/ disruption to such works.
- 4) The contractor shall intimate the Engineer-In-Charge about the number of labourer engaged daily for execution of the work. A register will be maintained by him for this purpose. He shall arrange the labourers in such a way so as to complete the works within the stipulated time.
- 5) The contractor is sole responsible for watch and ward of the materials necessary for the work till completion and handing over of the site to the Department. For any loss, theft or damage of materials under custody during execution of the work, the contractor is liable to make up for such loss as deemed fit by the Department.
- 6) The contractor shall draw the materials from Departmental store being fully satisfied regarding the specifications and quantity of materials failing which no claim in any shape shall be entertained. No claim for want of Departmental supply of materials shall be entertained. Departmental materials shall be issued to the contractor depending upon the availability in the Departmental store. The contractor shall remain responsible for the proper storage & safe custody of such materials received from the department.

- 7) Engineer-in-charge or his authorized representative shall check the quality of the works from time to time. Observations regarding defects communicated by him, if any, will be removed/ rectified by the contractor for which no extra claim shall be entertained in any shape.
- 8) In case situation demands, the EIC has the right to review the situation as regards to possibility of execution of works or otherwise. In case it is not possible to execute the works, necessary instructions will be issued by the Department to temporarily/ permanently close the works, which will be binding on the contractor and no claim whatsoever for sudden suspension/ closure of works will be admissible.
- 9) All the materials brought to the site must be subject to approval of the Engineer-in-Charge or his authorized representative. Rejected materials must be removed by the contractor at his own cost from the site within 24 hours of the issue of order to that effect. In case of non-compliance with such orders, the Engineer-in-Charge shall have the authority to cause such removal at the cost & expense of the contractor and the contractor shall not be entitled to any loss or damage on this account.
- 10) Payment will be made after laying of the porcupines in proper place as directed by the EIC or his authorized representative in number of porcupine actually laid. Measurement of steel wire rope will be taken in running meters and that of nut and bolts in weight (i.e. in Kgs). However payment for these two items will be made after utilization of the materials in execution of the work.
- 11) The Department shall deduct Labour Welfare Cess @ 1% and Income Tax, Sales Tax and or any other prevailing tax as per norms at the time of releasing payment of interim bills/ final bill.
- 12) Accident :
 - (i) It shall be the responsibility of the contractor to protect against accidents on the works and the workmen engaged by him in the works. He shall indemnify the Department against any claim for damage or for any injury to persons or property resulting from and in the course of works and also under the provision of the Workman's Compensation Act.
 - (ii) On the occurrence of an accident arising out of the work which results in death or which is so serious as to be likely to result in death, the contractor shall within 24 (twenty four) hours of such accident, report in writing, to the Engineer-in-Charge and District Labour Officer stating the facts clearly and in sufficient the circumstances of such accident and the subsequent action. All other accidents on the

works involving injuries to persons or damage to property other than that of contractor shall be promptly reported to the Engineer-in-Charge and the District Labour Officer stating clearly and in sufficient details the facts and circumstances of the accidents and the action taken.

- (iii) In all cases, the contractor shall indemnify the Department against the contractor's failure to report in the matter aforesaid. This includes penalties or fines, if any, payable by the Govt. as a consequence of failure to give notice under the Workmen's Compensation Act or failure to conform to the provisions of the said Act in regard to such accidents. In the event of an accident in respect of which compensation may become payable under the Workman's Compensation Act-VIII of 1923 including all modifications thereof whether such compensation may become payable by the contractor, the Engineer-in-Charge may retain payment due to the contractor such sum or sums of moneys as may in the opinion of the Engineer-in-Charge be sufficient to meet such liabilities. On receipt of award from the Labour Commissioner in respect of quantum of compensation, the difference of amount be adjusted.

Executive Engineer
Majuli Division

D-3 Supervision, inspection of works and quality control

The contractor shall either himself supervise the execution of the works or shall appoint the competent Engineer approved by the Engineer-in charge, to act on his behalf. If in the opinion of the EIC, the contractor has himself no sufficient knowledge and experience of receiving instructions or cannot give full attention to the works or fails to appoint a suitable qualified Engineer, the EIC will suspend the work till a suitable agent/Engineer is appointed and contractor will not get any compensation for this.

Inspection of works

The contractor shall inform the Engineer-in –charge in writing when any portion of the work is ready for inspection giving him sufficient notice to enable him to inspect the same without affecting the further progress of the work. The work shall not be considered to have been completed in accordance with the terms of contract until the Engineer-in-charge shall have certified in writing to that effect. Approval of materials of workmanship or approval of part of work during the progress of execution shall not bind the Engineer-in-charge or in any way affect him even to reject the work which is alleged to be completed and suspend the issue of his certificate of completion until such alternations and modifications or reconstruction's have been affected the cost of the contractor as shall enable him to certify that the work has been completed to his satisfactions. The contractor shall provide at his own cost necessary ladders/boat and such arrangement as to provide necessary facilities and assistance for proper inspection of all parts of the works at his own cost.

Quality Assurance

All materials to be used on the work shall be got approved in advance from the Engineer-in-charge and shall pass the test or analysis required by him which will be:

- a) As specified in the specification for the items.
- b) ISI Specification for the items.
- c) Such recognized specification acceptable to Engineer-in-charge as equivalent thereto or in absence of such authorized specification such requirement test and /or analysis as may be specified by the Engineer-in-charge in order of precedence given above.
- d) The contractor shall at his risk and cost make all arrangement/ or shall provide for all such facilities as the Engineer-in-charge may require for collecting, preparing required no of samples for test or analysis at such time and to such places as may be directed by Engineer and their all such charges. Such samples shall also be deposited with the Engineer-in-charge.
- e) The contractor shall, if any when required, submit at his cost the samples of the materials to be tested or analyze or if so directed, shall not make use of incorporate in the works any material to be represented by the samples until the required test or analysis have been made and the materials finally accepted by the Engineer –in-charge.
- f) The contractor shall not be eligible for any claim or compensation either arising out any delay in the work or due to any corrective measures required to be taken on account of and as a result of testing of the materials.
- g) In case of materials procured by the contractors, testing at required by the codes and specification shall be arranged by him at his own cost. Testing shall be done in the presence of authorized representative of Engineer-in-charge at the nearest approved laboratory.
