3. The time allowed for carrying out the work will be **70 (seventy) days** from the **10th day** after the date of issue of ‘letter of acceptance of tender’ or from the first date of handing over of the site, whichever is later, in accordance with the phasing, if any, indicated in the tender documents.
4. The site for the work shall be made available as specified below:

The site for the work shall be made available within 10(ten) days after the date of issue of the letter of acceptance of tender.

Receipt of applications for issue of forms will be stopped by **1600 Hrs. on** 14-06-11 and issue of tender forms will be stopped three days before the date fixed for opening of tenders.

Tender documents consisting of plans, specifications, the schedule of quantities of the various classes of work to be done and the set of terms & conditions of contract to be complied with by the contractor whose tender may be accepted and other necessary documents can be seen in the office of the **Chief Engineer (I&W), Brahmaputra Board, Basistha, Guwahati-29** between hours of **11.00 A.M. & 04.00 P.M.** from 01-06-11 to **14-06-11** every day except on Saturdays, Sundays and Public Holidays. Tender documents, excluding standard form, will be issued from his office, during the hours specified above, on payment of the following:-

- i) **Rs. 1500.00** in cash as cost of tender.
 - ii) Earnest Money of **Rs. 38,900.00** in the shape of Banker's Cheque/ Receipt Treasury Challan/ Deposit at Call receipt of a scheduled bank/ fixed deposit receipt of a scheduled bank/ demand draft of a scheduled bank issued in favour of the Financial Advisor, Brahmaputra Board.
(50% of earnest money or Rs. 20 lakh, whichever is less, will have to be deposited in the shape prescribed above and balance amount of earnest money can be accepted in the form of Bank Guarantee issued by a scheduled bank.)
 - iii) The Security Deposit will be collected from the Running Bills of contractors @ 5% of the tendered value of the work.
6. Tenders, which should always be placed in sealed envelope, with the name of work and due date written on the envelopes, will be received by the **Chief Engineer (I&W), Brahmaputra Board** up to **03.00 P.M.** on **16-06-11** and will be opened by him or his authorized representative in his office on the same day at **03.30 P.M.**
7. The contractor shall be required to deposit an amount equal to 5% of the tendered value of the work as **performance guarantee** in the form of an irrevocable bank guarantee bond of any scheduled bank or State Bank of India in accordance with the form prescribed or in the form of Govt. Security, fixed deposit receipt etc., as in the case of recovery of security deposit within prescribed number of days of the issue of letter of acceptance. This period can be further extended by the Engineer-in-Charge up to a maximum period of prescribed number of days on written request of the contractor.
8. The location & quantity of work are given at **ANNEX-I** below:

ANNEX – I

Gr. No.	Location	Approx. Quantity of Porcupine in No. (for Group-1) (Quantity may vary depending upon actual requirement & site condition)
1.	Tekeliphuta and Bhakatchapori & d/s of Lower Majuli area	3700

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer.

Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plants, etc. will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.

9. The competent authority on behalf of the Chairman, Brahmaputra Board does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.

The competent authority also reserves its right to allow to the Central Government public sector enterprises, joint venture with CPSE holding 51% equity or more, a purchase preference with reference to the lowest valid price bid where the quoted price is within 10% of such lowest price in a tender other things being equal in case of tenders/ quotations whose date of receipt is up to 16-06-11, subject to the estimated cost being of Rs. five crores and above. The Public Enterprises who avail benefits of the purchase preference should be subjected to adequate penalties for cost overruns etc.

10. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
11. The competent authority on behalf of the Chairman, Brahmaputra Board reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
12. The contractor shall not be permitted to tender for works in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any Gazetted officer in the Brahmaputra Board or in the Ministry of Water Resources. Any breach of this condition by the contractor would render him liable to be rejected.
13. No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of two years after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
14. The tender for the works shall remain open for acceptance for a period of **90 (ninety) days** from the date of opening of tenders. If any tenderer withdraws his tender before the said

period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the Department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.

15. This Notice Inviting Tender shall form a part of the contract document. The successful tenderer/ contractor, on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work, sign the contract consisting of :-
 - a) The Notice Inviting Tender, all the documents including additional conditions, specifications and drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.
 - b) Standard CPWD Form 8.
16. All rates should be quoted in figures as well as in words. In case of discrepancy in the rate quoted by the contractor in words & figures, the rate quoted in words will be considered as the correct rate.

- 1) All items in Schedule of quantity are consolidated items of works inclusive of all consumable material cost, labours, tools & equipments etc. All rate quoted by the contractor will be inclusive of labour, all consumable material cost, tools & equipments, including all taxes etc.
- 2) If situation demands, the printed challans in a book form with numbering will be arranged by the contractor for transport of materials necessary for the work from the stacking yard to actual place of utilization as per direction of the Engineer-In-Charge.
- 3) There is likelihood that some other works may also be under execution simultaneously by other agencies in the adjoining area. The contractor shall execute the works without causing any hindrance/ disruption to such works.
- 4)
 - a) The contractor shall intimate the Engineer-In-Charge about the number of labourer and number & type of equipments engaged daily for execution of the work. Two registers will be maintained by him for this purpose. He shall arrange the labourers in such a way so as to complete the works within the stipulated time.
 - b) As the work will be executed in different locations, the contractor shall submit detailed intimation to the Engineer-In-Charge before starting the work at a new location furnishing the date from which he wants to start the work at that location. The work at the new location will be taken up with the consent of EIC.

- 5) The contractor is sole responsible for watch and ward of the materials necessary for the work till completion and handing over of the site to the Department. For any loss, theft or damage of materials under custody during execution of the work, the contractor is liable to make up for such loss as deemed fit by the Department.
- 6) The contractor shall draw the materials from Departmental store being fully satisfied regarding the specifications and quantity of materials failing which no claim in any shape shall be entertained. No claim for want of Departmental supply of materials shall be entertained. Departmental materials shall be issued to the contractor depending upon the availability in the Departmental store. The contractor shall remain responsible for the proper storage & safe custody of such materials.
- 7) Engineer-in-charge or his authorized representative shall check the quality of the works from time to time. Observations regarding defects communicated by him, if any, will be removed/ rectified by the contractor for which no extra claim shall be entertained in any shape.
- 8) In case situation demands, the EIC has the right to review the situation as regards to possibility of execution of works or otherwise. In case it is not possible to execute the works, necessary instructions will be issued by the Department to temporarily/ permanently close the works, which will be binding on the contractor and no claim whatsoever for sudden suspension/ closure of works will be admissible.
- 9) All the materials brought to the site must be subject to approval of the Engineer-in-Charge or his authorized representative. Rejected materials must be removed by the contractor at his own cost from the site within 24 hours of the issue of order to that effect. In case of non-compliance with such orders, the Engineer-in-Charge shall have the authority to cause such removal at the cost & expense of the contractor and the contractor shall not be entitled to any loss or damage on this account.
- 10) The Department shall deduct Labour Welfare Cess @ 1% and Income Tax, Sales Tax and or any other prevailing tax as per norms at the time of releasing payment of interim bills/ final bill.
- 11) Accident :
 - (i) It shall be the responsibility of the contractor to protect against accidents on the works and the workmen engaged by him in the works. He shall indemnify the Department against any claim for damage or for any injury to persons or property resulting from and in the course of works and also under the provision of the Workman's Compensation Act.

- (ii) On the occurrence of an accident arising out of the work which results in death or which is so serious as to be likely to result in death, the contractor shall within 24 (twenty four) hours of such accident, report in writing, to the Engineer-in-Charge and District Labour Officer stating the facts clearly and in sufficient the circumstances of such accident and the subsequent action. All other accidents on the works involving injuries to persons or damage to property other than that of contractor shall be promptly reported to the Engineer-in-Charge and the District Labour Officer stating clearly and in sufficient details the facts and circumstances of the accidents and the action taken.
- (iii) In all cases, the contractor shall indemnify the Department against the contractor's failure to report in the matter aforesaid. This includes penalties or fines, if any, payable by the Govt. as a consequence of failure to give notice under the Workmen's Compensation Act or failure to conform to the provisions of the said Act in regard to such accidents. In the event of an accident in respect of which compensation may become payable under the Workman's Compensation Act-VIII of 1923 including all modifications thereof whether such compensation may become payable by the contractor, the Engineer-in-Charge may retain payment due to the contractor such sum or sums of moneys as may in the opinion of the Engineer-in-Charge be sufficient to meet such liabilities.
