Greetings from The International Commission on Irrigation and Drainage (ICID) & AF Academy!

Through this email, I would like to invite you to join the first-ever LMS based certificate course on dam and network safety assurance. The course covers the entire gamut of establishing a dam and network safety regime and all the techniques involved in assuring the dam and network safety. You can register online here.

The course is being delivered through a Learning Management System (LMS) by leading domain experts having a combined experience of more than 800 years. The online LMS based delivery mode of the course ensures that skill enhancement takes place at the time and pace chosen by the trainee.

The 6 month's course will have more than 40 hrs of training videos, lectures notes and reading material. Regular live sessions will also be conducted by domain experts to interact with participants.

Please have a look at course curriculum and faculty at the course website <https://damsafety.co/>

We shall be grateful if you could also please disseminate this information in your professional circle who might get benefited by this course. In case you are already registered in Batch-1, please share your experience with your colleagues, motivating them to join the course.

For any further assistance, please feel free to call/ WhatsApp Ms. Praggya Sharma at +91-9818568825

Thanking you and looking forward to a positive response.

Yours sincerely,
